Please note the following questions and answers.

Q. What type of vehicle is this? I believe it is a Ford Police Interceptor utility and if that is correct I need to confirm if it is an "Eco-boost" model or not.

A. Yes, it is a Ford Explorer, Eco-boost model.

Q. On the center console I wanted to confirm that there are to be no cup holders or arm rests? Very common for both of these to be included accessories on all consoles.

A. Yes, cup holders and arm rests should be included on the consoles.

Q. The part number for the push bumper is for a Dodge Charger, should this be for a Ford PI Utility?

A. Yes, but we want it to be of the same type.

Q. Will the radio supplied by the department come with an antenna and coax cable?

A. Yes

Q. Will there be any other equipment supplied by the city for installation such as a patrol video unit, computer docking station and support arms, etc.?

A. No

Q. Lastly I need confirmation that the speaker is to be mounted on the push bumper?

A. *Yes*

Q. Are you looking at purchasing a used vehicle as well.

A. *No*
