**SUBJECT: MUNICIPAL COURT WARRANT ROUNDUP FOR CALENDAR YEAR 2014.**

---

**1. PROJECT DESCRIPTION**

Copperas Cove Municipal Court Warrant Roundup Report for 2014.

**2. BACKGROUND/HISTORY**

The Warrant Roundup was held from March 1, 2014 through March 16, 2014 to target defendants with outstanding warrants. Court staff worked extended hours allowing the Police Department to escort defendants to the Court to resolve outstanding fines and clear outstanding case(s). The direct transport of defendants to the Court reduces the booking process and generally accelerates defendants' resolution of the outstanding case(s). The warrant roundup also allowed defendants to pay online and over the phone with a debit or credit card.

**3. FINDINGS/CURRENT ACTIVITY**

The Warrant Roundup yielded 213 cleared capias profine and arrest warrants.

**4. FINANCIAL IMPACT**

The Warrant Roundup is not intended as a revenue generating activity. The purpose of the roundup is to clear warrants; however, in the course of clearing warrants, fines and fees are collected from defendants. Gross revenue receipts from the 2014 Warrant Roundup totaled \$34,346.07.
