City Manager's Message

The fall season welcomed a new school year for the children of our community and a new operating budget for the City of Copperas Cove. Winter quickly approached and is now upon us. Emergency Preparedness can be achieved for the safety of your family by following the Emergency Management safety tips located on the City's Government Access Channel and City's website.

Please watch for an announcement on the City's new 11,000 square foot Fire Station 2 Ribbon Cutting Ceremony. The ceremony is expected to occur in mid to late January 2016. The new location will ensure greater response to the growth along West Avenue B, Big Divide Road, and Summers Road.

Appreciating our employees is vital to the success of our City. The City recognizes employees reaching key milestones during the first City Council

Workshop of each month. We invite citizens to join us in recognizing and celebrating those employees.

Please visit the City's website to keep up to date on City information and visit with your Citizen Focus Group members as they represent us all. If you are interested in serving on a City Council appointed committee, board or commission, please contact Kevin Keller at kkeller@copperascovetx.gov

Stay warm, be safe and have a Happy Holiday Season.

Sincerely,

City Manager

On September 2nd Governor Greg Abbott issued a Statewide Call to Stand with Law Enforcement in Texas. As Texas mourned the loss of Harris County Sheriff Deputy Darren Goforth, Governor Abbot issued the call to honor Deputy Goforth and all officers across the State by asking Texas law enforcement officers to turn on their red and blue flashing lights for one-minute of silence on Friday, September 4th. In a statement he added "respect and pride in our law enforcement must be restored in this State and Nation." A sincere thank you to the citizens who joined us at the Copperas Cove Police Dept. to support our men and women in blue, we appreciate you!
