### **Library E-Rate Funding Approved**

Copperas Cove, Texas – The City of Copperas Cove is pleased to announce the Library’s application for E-Rate Funding has been approved by the Federal Communications Commission (FCC). The approval will result in the Library receiving \$6,327.17 in federal funding and \$1,581.79 in Texas State Library and Archives Commission (TSLAC) funding for a total of \$7,908.96. The funding will be utilized to pay for a 100 megabits per second (Mbps) fiber-optic internet connection, and the hardware necessary to share that connection between the Library’s WiFi and public access users. The TSLAC funding is for the first year only so the Library will pay 20% of the cost, or approximately \$100 per month, for this internet access in future years.
