Public Library Renovation Project

Copperas Cove, Texas – The City of Copperas Cove, with assistance from Hidell and Associates Architects, have developed specifications for the Public Library Renovation Project and recently entered into a contract with LMC Corporation to complete the work at 501 S. Main Street.

The project scope includes renovation of the public restrooms for ADA compliance and commercial fixture updates, creating a new entryway next to the existing entryway, closing in the existing entryway and creation of a new reading room, removal of the existing circulation and reference desks, opening up of the lobby, updating and installing new electrical, and replacing flooring in the lobby, adult services area, and the restroom hallway.

Construction began earlier this week on Monday, May 7, 2018 and is expected to continue through the summer. The public bathrooms will be closed for renovation during the month of May, however Summer Reading Program participants can be assured the meeting room, Children's room and bathrooms will all be available in time for the start of the program in early June. Visitors are encouraged to remain observant and obey all construction related warning signs

Questions or concerns should be directed to Kevin Marsh, Library Director, at kmarsh@copperascovetx.gov or (254)547-3826.
