### **Citizen Engagement and Priority Study**

Copperas Cove, Texas – A City of Copperas Cove Citizen Engagement and Priority Study will launch on June 1, 2018. The study will allow residents to offer feedback on the community, as well as strengthen upcoming planning and budget decisions. Instructions for completing the on-line survey will be distributed to residents through the City's monthly utility billing, beginning in the June billing cycles. We encourage all those who receive the survey notification to please take a few minutes to complete the survey on-line. Confidentiality is an important part of this study and we want our residents to feel comfortable sharing information without concern, knowing their identity will not be tied to the results. Those wishing to complete a paper version of the survey may obtain a copy at the City of Copperas Cove Technology Center, located at 508 S. 2<sup>nd</sup> Street, Copperas Cove, Texas 76522.

The City of Copperas Cove and Cobalt Community Research are working together on this study to keep your results confidential. Cobalt is a 501c3 nonprofit organization created to help governmental and nonprofit organizations measure, benchmark, and manage their efforts through high-quality, affordable research.

Questions or concerns regarding the study should be directed to the City's Public Information Officer, Kevin Keller, at [kkeller@copperascovetx.gov](mailto:kkeller@copperascovetx.gov) or (254)547-4221 ext. 6243.
