Business US 190 Public Hearing Documentation

Copperas Cove, Texas – The Texas Department of Transportation (TxDOT), in coordination with the City of Copperas Cove, are moving forward with a project to improve Business US 190 from Avenue D to Constitution Drive. A public hearing was conducted on the proposed project on February 12, 2019 at the Copperas Cove Civic Center, the purpose of which was to present the planned improvements and receive public comment. The project Engineer, BSP Engineers, were also present.

The public hearing documentation has been prepared and is now available on the Business US 190 project web page of the City's website at:
http://www.copperascovetx.gov/pio/highway_190_master_plan/

TxDOT Waco District will also post the documentation to their project web page, which can be found at:
<https://www.txdot.gov/inside-txdot/projects/studies/waco/business-us-190.html>

Both project web pages include information such as project history and schedules, maps, draft schematics, research/studies, FAQs, etc.

The project design plans are progressing and just recently surpassed the 60% completion phase. Final plans are expected to be completed by the end of December 2019, with construction bid letting in March of 2020, followed by construction beginning in May of 2020. These dates are proposed and the timeline remains subject to change.

Questions or concerns may be directed to Public Information Officer Kevin Keller at kkeller@copperascovetx.gov or (254)547-4221 ext. 6243.
