Welcome to the 6th Annual Texas A&M Central Texas Golf Classic

At no time in our history has higher education been more important to our nation's economic competitiveness or our people's prosperity than today. Texas A&M University-Central Texas (TAMUCT) was established as a stand-alone university in 2009 and is one of the newest public universities in Texas. TAMUCT was established to provide affordable access to public higher education in Central Texas.

In 2012 TAMUCT opened the doors of Founder's Hall, the inaugural 103,000 square foot building on the beautiful 672 acre campus in Killeen. Simultaneously with the grand opening of Founder's Hall, the University broke ground on a 120,000 square foot second building on the campus that opened in the Fall of 2014 consolidating the University to a central location. The aforementioned Warrior Hall will include a state of the art library along with research laboratories and other essential elements for learning. Most recently the University received \$36 million to fund the construction for the third building on the campus that will serve as a beacon for higher education in our area for generations to come.

With enrollment now over 2,500. Texas A&M University-Central Texas continues to grow each semester necessitating the need for continually increasing support through scholarship funding for students. The Texas A&M University-Central Texas Foundation exists to raise money to fund scholarships for deserving TAMUCT students. Every dollar raised is given out in scholarships to students enrolled at TAMUCT with no funds used for administration. Since its creation, the Texas A&M University-Central Texas Foundation has raised over \$3 million for student scholarships.

The communities of Central Texas have partnered together to establish an annual golf tournament with all proceeds benefiting the A&M-Central Texas Foundation. Proceeds from this event will all go to fund student scholarships at TAMUCT helping those in our community to realize their dreams and goals through a higher education degree. I hope you will join me in supporting TAMUCT through your generous support of this annual fundraising event.

Paula Loshe, Chairman

Texas A&M University-Central Texas Foundation Board
