Fire Station No. 2 Operational

Copperas Cove, Texas – The City of Copperas Cove is pleased to announce the new Fire Station No. 2, named in honor of John A. Hull, is now fully operational. We are glad to report that crews began taking calls for service from the new location last week. The previous location, 1206 West Avenue B, is officially out of service so please do not go to the location seeking emergency assistance. We do encourage citizens to call 911 in the event of an emergency or visit the new station at 2401 FM 1113.

Fire Chief Michael Neujahr stated “I would like to thank all of our elected officials, City staff and citizens for their patience as we worked very hard to bring you a quality facility which will deliver the very best Fire and EMS services”.

For further information please feel free to contact Public Information Officer Kevin Keller at kkeller@copperascovetx.gov or (254)547-4221.
