

“The City Built for Family Living”

Fire Department

December 7, 2015

MEDIA Announcement

The City of Copperas Cove will host a class on January 28, 2016 from 7pm to 9pm at the Copperas Cove Police Department in the Community Room.

The class will be taught by the National Weather Service and will be titled SKYWARN 2016. The National Weather Service delivers the SKYWARN program nationwide. The SKYWARN program is geared toward the public and covers the following topics:

- Basics of thunderstorm development**
- Fundamentals of storm structure**
- Identifying potential severe weather features**
- How to report information**
- Basic severe weather safety**

There is no cost to attend this program. Seating may be limited. Persons interested in attending may register online at http://www.copperascovetx.gov/pages/fire_department/skywarn_class.html

More information about SKYWARN may be found at <http://www.nws.noaa.gov/skywarn/>

Emergency Management staff will also provide information about disaster preparedness in Copperas Cove.
