Law Enforcement Torch Run Day for Special Olympics Texas 2016

COPPERAS COVE, TEXAS – On Tuesday, May 24, 2016 Officers from the Copperas Cove Police Department will participate in the annual Law Enforcement Torch Run Day for Special Olympics Texas. In support of the Central Texas Law Enforcement Torch Run Team (Cen-Tex LETR), Police Officers from our agency will gather in the front parking lot of the Police Department, located at 302 East Avenue E, at 9:00 A.M.

Our “Guardians of the Flame” will then embark on a 2 mile run throughout the streets of Copperas Cove carrying the Torch. The run route will be as follows: 302 East Avenue E, to South 2nd, to Ave F, to South 1st, to Meggs Street, to South 5th, to Veterans Ave, to Lyons Street, to South Main Street, and back to the Police Department.

Past events have been very successful in part by the support of our local community. We would like to personally invite our citizens to once again line the streets of the run route and encourage the Police Officers of the Copperas Cove Police Department as they carry the Torch in recognition of the Special Olympics Texas program.
