

“The City Built for Family Living”

Code Compliance

Hello Vendor,

Welcome to the City of Copperas Cove.

All food trucks must have an inspection from the City of Copperas Cove before they can serve to the public. Please contact our office, 254-542-8966, to schedule an inspection. All inspections will be done in the rear parking lot of the fire station located at 415 S. Main St (access is on S. 2nd St).

Please note the following requirements:

- Food trucks are required to have at least one food manager on the truck at all times and all other employees/helpers must have a valid food handler license that is approved by the State of Texas.
- All employees must have a solicitors license, issued by the Building Department (914 S. Main St, STE G) prior to setting up to sell. Please see City website (www.copperascovetx.gov) for application requirements.
- Before setting up to sell on any property you must have written permission from the property owner/manager stating that you have permission to be on the property and to have access to the restroom facilities for you and any customers. Must be turned in when applying for the solicitors permit.
- Attached is a copy of the Mobile Food Establishment checklist that will be used for the inspection.

Please feel free to contact our office with any questions or concerns.
