

**ADDENDUM NO. 2
TO THE
BID DOCUMENTS
FOR
CITY OF COPPERAS COVE
PARK IMPROVEMENTS, PHASE 2
BID NO. 2019-10-54**

OWNER: City of Copperas Cove, Texas

CONSTRUCTION MANAGER: BSP Engineers, Inc.
15 W. Central Ave.
Temple, Texas 76501
(254) 774-9611

DATE OF ADDENDUM: October 30, 2019

DATE OF BID OPENING: November 1, 2019

1.01 GENERAL

1. This addendum modifies the Bid Documents dated October 17, 2019.
2. Clarification for Proposal Form Exhibit 'A' Bid Items R1-3, R2-3, and R3-3 - **Construct Building Pad, Including Unclassified Excavation or Embankment and Installation of Select Backfill**

These bid items do not include any concrete work related to the restroom buildings' foundations or slabs. The buildings are prefabricated units with an integral slab and will be placed by others in a separate contract.

3. Clarification for Proposal Form Exhibit 'A' Bid Items R1-4, R2-4, and R3-4 - **Provide Water, Sewer, and Electrical Services to Building**

These bid items include the final connections to the water, sewer, and electrical services that will be pre-plumbed into the prefabricated restroom buildings being placed by others. The use of licensed tradesmen is required for this work.

4. Clarification for **Plan Sheet 10**

The note which reads, "SEE MANUFACTURER'S FOUNDATION PLAN" is for information only to direct the contractor to coordinate with the building manufacturer to determine the actual size of the pads to be constructed. The concrete slab depicted in the detail is not a part of this contract (see note 2 above).
