EXHIBIT A

Public Health Emergency Rules and Regulations

Consistent with the Governors Executive Order GA-08 the following rules and regulations are hereby implemented:

- In accordance with the Guidelines from the President and the CDC, every person shall avoid social gatherings in groups of more than 10 people.
- In accordance with the Guidelines from the President and the CDC, people shall avoid eating or drinking at bars, restaurants, and food courts, or visiting gyms or massage parlors; provided, however, that the use of drive-thru, pickup, or delivery options is allowed and highly encouraged.
- In accordance with the Guidelines from the President and the CDC, people shall not visit nursing homes or retirement or long-term care facilities unless to provide critical assistance.

These rules and regulations do not prohibit people from visiting a variety of places, including grocery stores, gas stations, parks, and banks, so long as the necessary precautions are maintained to reduce the transmission of COVID-19. These rules and regulations do not mandate sheltering in place. All critical infrastructure will remain operational and government entities and businesses will continue providing essential services.

For offices and workplaces that remain open, employees should practice good hygiene and, where feasible, work from home in order to achieve optimum isolation from COVID-19. The more that people reduce their public contact, the sooner COVID-19 will be contained and the sooner this executive order will expire.
