### **COVID-19 Vaccination Drive-Thru Clinic in Copperas Cove**

The City of Copperas Cove is working in conjunction with the Copperas Cove ISD, Coryell Health, Coryell County, and numerous support groups to host a COVID-19 Vaccination Drive-Thru Clinic in Copperas Cove on February 6, 2021, from 09:00 AM to 04:30 PM.

The clinic will be held at the Copperas Cove High School rear parking lot located at 851 W. Ave D.

Persons who meet the 1A and 1B criteria are eligible to be vaccinated. The criteria may be viewed online at the Texas Department of State Health Services website:

<https://www.dshs.texas.gov/coronavirus/immunize/vaccine/>

The vaccine will **only** be administered to those who made an appointment ahead of time and received a confirmation. Coryell Health in Gatesville is managing the appointments online at [www.coryellhealth.org/vaccine](http://www.coryellhealth.org/vaccine)

The Copperas Cove clinic online appointments will be active after 10:30 AM on Tuesday, February 2, 2021, and until filled. At this time, phone calls for appointments are not being accepted.

Persons who do not have a confirmed appointment will not receive a vaccine on Saturday.

The demand for the vaccine still outweighs the supply. We all must be patient while we are working through this. In the meantime, remember receiving the vaccine is voluntary; all are encouraged to research the vaccine to determine your desire to accept it or not.

Sincerely;

Gary D. Young  
Deputy Fire Chief | Emergency Management Coordinator
