

“The City Built for Family Living”

BOIL WATER RESCIND NOTICE

On Feb. 17, 2021 the Texas Commission on Environmental Quality (TCEQ) required our public water system (City of Copperas Cove/PWS 0500001) to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants, or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/ or bacteriological quality. The City of Copperas Cove has provided TCEQ with testing results that indicate that the water no longer needs boiling as of 02/23/2021 for the residents that live in the Mountain Top Pressure Plane.

If a customer wishes to reach TCEQ, they may call 512-239-4691.

If you have questions, contact one of the following individuals:

- 1) Corey Chambers / Water Superintendent at (254) 813-1789
- 2) Keith Fields / Water Repair Supervisor. (254) 205-3110

Your patience and understanding during this time has been greatly appreciated.

Sincerely,

Corey Chambers / Water Superintendent
