Temporary Street Closure – Robertson Avenue

Copperas Cove, Texas – The Street Department began a project earlier today, June 8, 2020, of removing and repairing a concrete flume which runs across Robertson Avenue, just to the west of Dianne Drive. As a result, Robertson Avenue will temporarily be closed between Ridge Street and Dianne Drive through Monday, June 15th at approximately 4pm, to allow for completion of this project.

We encourage the public, to include both pedestrians and motorists, to obey temporary street detour signs and use caution while traveling near the designated area. Please see attached map for further details.

Questions or concerns should be directed to Kevin Keller, Public Information Officer, at kkeller@copperascovetx.gov or (254)547-4221 ext. 6243.
