COVID-19, Coronavirus Cases

Monday, June 7, 2021

Copperas Cove, Texas – Coronavirus case update shown below. The cases listed below are limited only to those located within the City of Copperas Cove.

Case Summary

Cases	Active	NLA	Deceased
2932	31	2869	32

A detailed case update as well as prior updates may be found on the City of Copperas Cove website found here: <https://www.copperascovetx.gov/pio/covid-19/>

The Texas Department of State Health Services (TDSHS) is no longer providing detailed information that applies directly to our community concerning COVID-19 cases as such this will be the final update issued by the City of Copperas Cove. The last of the thirty one (31) active cases will be considered No Longer Active (NLA) on June 19, 2021.

While COVID-19 still lingers in our community, we encourage all citizens to take the proper measures to prevent the spread of all communicable diseases.

There are many sources that provide information about Coronavirus (COVID-19), two sources that may be helpful to consult are provided by State and Federal sources. Those sites may be viewed by following these links:
