City Hires Director of Information Technology – Scot Mullican

Copperas Cove, Texas – The City of Copperas Cove is pleased to announce Mr. Scot Mullican has accepted the position of Director of Information Technology. He began employment on Monday, June 14, 2021.

Scot is a native Texan, born in Waxahachie, Texas, where he lived until he married his wife Jena and departed for the military. Scot attended the University of Maryland Global Campus where he graduated with a Bachelor of Science in Cybersecurity in 2016, and Webster University where he graduated with a Master of Arts in Information Technology Management in 2017. He holds several CompTIA, Microsoft and EC-Council certifications. Scot served in the military for 25 years in the Signal Corps before retiring in 2020.

Scot currently resides in Kempner with his wife Jena of 25 years. They are the proud parents of one grown child, Hunter. Scot can be located in the Technology Center at 508 South 2nd Street, and contacted at smullican@copperascovetx.gov or (254) 547-4221 x6207.

Requests for further information should be directed to Public Relations Director Kevin Keller at kkeller@copperascovetx.gov or (254) 547-4221 x6243.
