### **International Code Review Ad Hoc Committee**

Copperas Cove, Texas – The City of Copperas Cove is accepting applications to fill a position on a newly created International Code Review Ad Hoc Committee. The purpose of the City Council Appointed Advisory Body is to review the adopted international codes as codified in the Code of Ordinances, Chapter 4, Articles I, II, and V, in effort to make recommendations to City Council for revisions and adoption of international codes.

The advisory body will consist of seven members, appointed to four-year terms. It is the intent of the City Council that the board members shall, by reason of diversity of their individual areas of expertise, constitute a board which is broadly representative of various fields of building construction and building standards. Consideration will be given to persons who are qualified by experience and training to pass on matters pertaining to building construction, mechanical design, plumbing systems or electrical systems, or who have practical experience in matters relating to building construction or value such as a mortgage banker or licensed real estate agent. Meetings shall be held when required to carry out the established duties.

Applications are available at 914 South Main Street, Suite D, or on the City website, [www.copperascovetx.gov](http://www.copperascovetx.gov) under “Forms and Applications”. The position vacancy will be advertised through July 9, 2022. Completed applications must be submitted to the office of the City Secretary by the submittal deadline, July 19, 2022 at 5pm, for consideration.
