### **100 Block E Avenue D Temporary Closure**

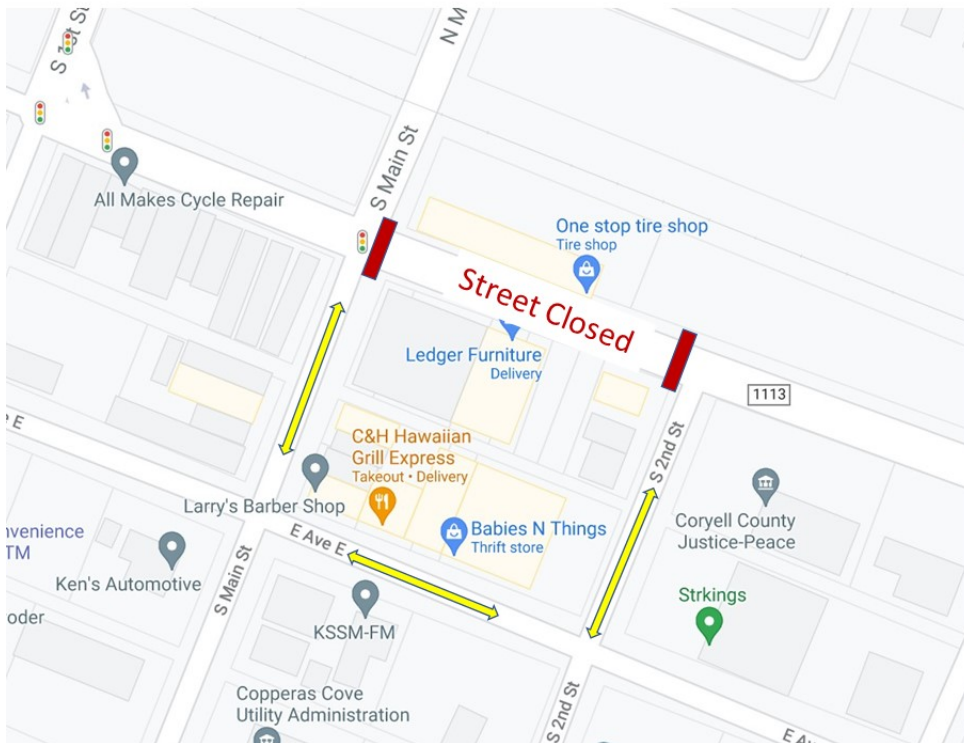

Copperas Cove, Texas – On Thursday, July 1, 2021 at approximately 130pm the City experienced a burst 10” water line in the 100 Block of E Avenue D. Water Distribution crews were on-site until just after midnight making necessary repairs. Water service interruptions were very minimal, only affecting one business. Additionally, as crews were able to retain substantial pressure in the water lines it was NOT necessary to issue a Boil Water Notice.

The street in the 100 Block of E Avenue D was substantially damaged as a result of the burst line and repairs. As such, the street will remain temporarily closed between S. Main Street and S. 2<sup>nd</sup> Street throughout the holiday weekend, until appropriate street repairs can be made. A detour has been established around the area by way of S. 2<sup>nd</sup> Street, E Avenue E, and S. Main Street. All motorists are encouraged to follow posted road construction signs for the safety of themselves and work crews.

Questions or concerns may be directed to Public Relations Director Kevin Keller at [kkeller@copperascovetx.gov](mailto:kkeller@copperascovetx.gov) or (254) 547-4221 ext. 6243.
