Cancellation of National Night Out Activities

COPPERAS COVE, TEXAS – It is with deep regret that we announce that we will not be hosting a National Night Out Kickoff party or participating in local National Night Out Block parties, due to the ongoing challenges and risks associated with COVID-19 Pandemic.

The decision was made out of an abundance of caution and consideration of those participating in the events. This was an extremely difficult decision for us. We value these events, and believe events such as these, have built lasting relationships and partnerships in the community.

Although the events have been canceled, we encourage citizens to build relationships with their neighbors and to look after one another. The safety of the members of the community is a top priority of the Copperas Cove Police Department.

We encourage members of the community to follow us on our social media platforms (Facebook, Nextdoor, and Twitter), for helpful information and updates to local public safety information.

We look forward to next year when we can resume the National Night Out activities, but until then, please stay safe, and thank you for your continued support.
