Senior Citizen Discount Update

Copperas Cove, Texas – Following numerous discussions, Copperas Cove City Council adopted the FY 2020-21 Fee Schedule during the Regular Council Meeting held on Tuesday, September 1, 2020. The adopted fee schedule reflects various rate changes for water, sewer, solid waste, and drainage. Notably, it also includes removal of the Senior Citizen Discount, as this has been determined by the City Attorney to not be supported by state law.

We encourage all utility customers to review and become familiar with the attached memorandum, provided by the City Attorney, to better understand the decision. Please note the Senior Citizen Discount discontinuance will not become effective until October 1, 2020, when the fee schedule becomes effective. Therefore, impact on the affected accounts will not be felt until the first cycles from October are distributed in November utility billings.

Questions or concerns may be directed to Public Information Officer Kevin Keller at kkeller@copperascovetx.gov or (254) 547-4221.
