Solid Waste Schedule Changes: September 12-16

Copperas Cove, Texas – Due to Solid Waste vehicle shortages, residential recycling collections will be canceled for Areas 1, 3, 5 and 7 for the week of September 12-16, 2022. Solid Waste will not collect any commercial recycling or cardboard the week of September 12-16, 2022. While those collections are canceled for the week, should vehicles become available some collections may resume.

All residential trash collections, commercial dumpster collections, and brush and bulk will run as scheduled. The Transfer Station, located at 2605 South FM 116, will be open to the public and recyclables can be dropped off at no charge.

We are hopeful this situation will correct itself for the week of September 19-23, and will provide an update if any further changes to the schedule become necessary. Thank you and we appreciate your patience on this matter.

Questions or concerns may be directed to Solid Waste at (254) 547-4242.
