Solid Waste Updates

Copperas Cove, Texas – The Solid Waste Department had a lightning strike on October 17, 2022 and at that time it caused significant damage to some of the electronics. After completing repairs and being temporarily closed we have the following updates.

Solid Waste Transfer Station is open and can now take credit card payments.

Their main phone number at (254) 547-4242 remains out of service and are requesting all residents call their temporary phone number at (254) 542-8901 until further notice.

The scheduled electronic outages will NOT affect residential or commercial collections.

Questions or concerns should be directed to Solid Waste at (254) 542-8901 or Larry Scott, Solid Waste Director, at lscott@copperascovetx.gov.
