Main Street Mill and Overlay Project

Copperas Cove, Texas – A City of Copperas Cove Mill and Overlay Project will begin on Wednesday, November 18, 2020 and work is expected to last through Monday, November 23, 2020, barring inclement weather. During this time Texas Materials Group, Inc. will be resurfacing Main Street from Avenue F to the North City limits, milling 1" of old asphalt and overlaying with a new layer of asphalt. The bid contract was awarded by City Council on September 1, 2020 in the amount of \$181,759.11. These improvements are part of the City's Street Maintenance Program and are being funded exclusively by the 1/8th Cent Sales Tax allocation, as approved by the voters of the City of Copperas Cove during a Special Election held in November of 2016.

The attached notice has been, or will be, distributed to all affected residents and business owners, requesting that all vehicles, trailers and similar obstructions are removed from the street daily, excluding the weekend, during this scheduled project period from 6am to 7pm. Solid Waste collections will continue as scheduled, however residents and business owners along Main Street are asked to keep all items out of the street and on top of the curb until work is completed.

All motorists are encouraged to follow posted road construction signs for the safety of themselves and work crews.

Questions or concerns may be directed to the Street Department at (254) 547-2168 or the Public Works Department at (254) 547-0751.

###

NOTICE

During the period of Wednesday, November 18, 2020 through Monday, November 23, 2020, Texas Materials Group, Inc. will be resurfacing the City street in your area. Texas Materials Group, Inc. will be removing 1" of asphalt and replacing it with a fresh layer of 1" of asphalt.

The areas affected are as follows:

November 18-20, 2020:

- North Main Street from East Avenue D to the Railroad Tracks
- North Main Street from the Railroad Tracks to the North City Limits

November 23, 2020:

- South Main Street from East Avenue F to East Avenue D

In order to complete the work, the City is requesting the following:

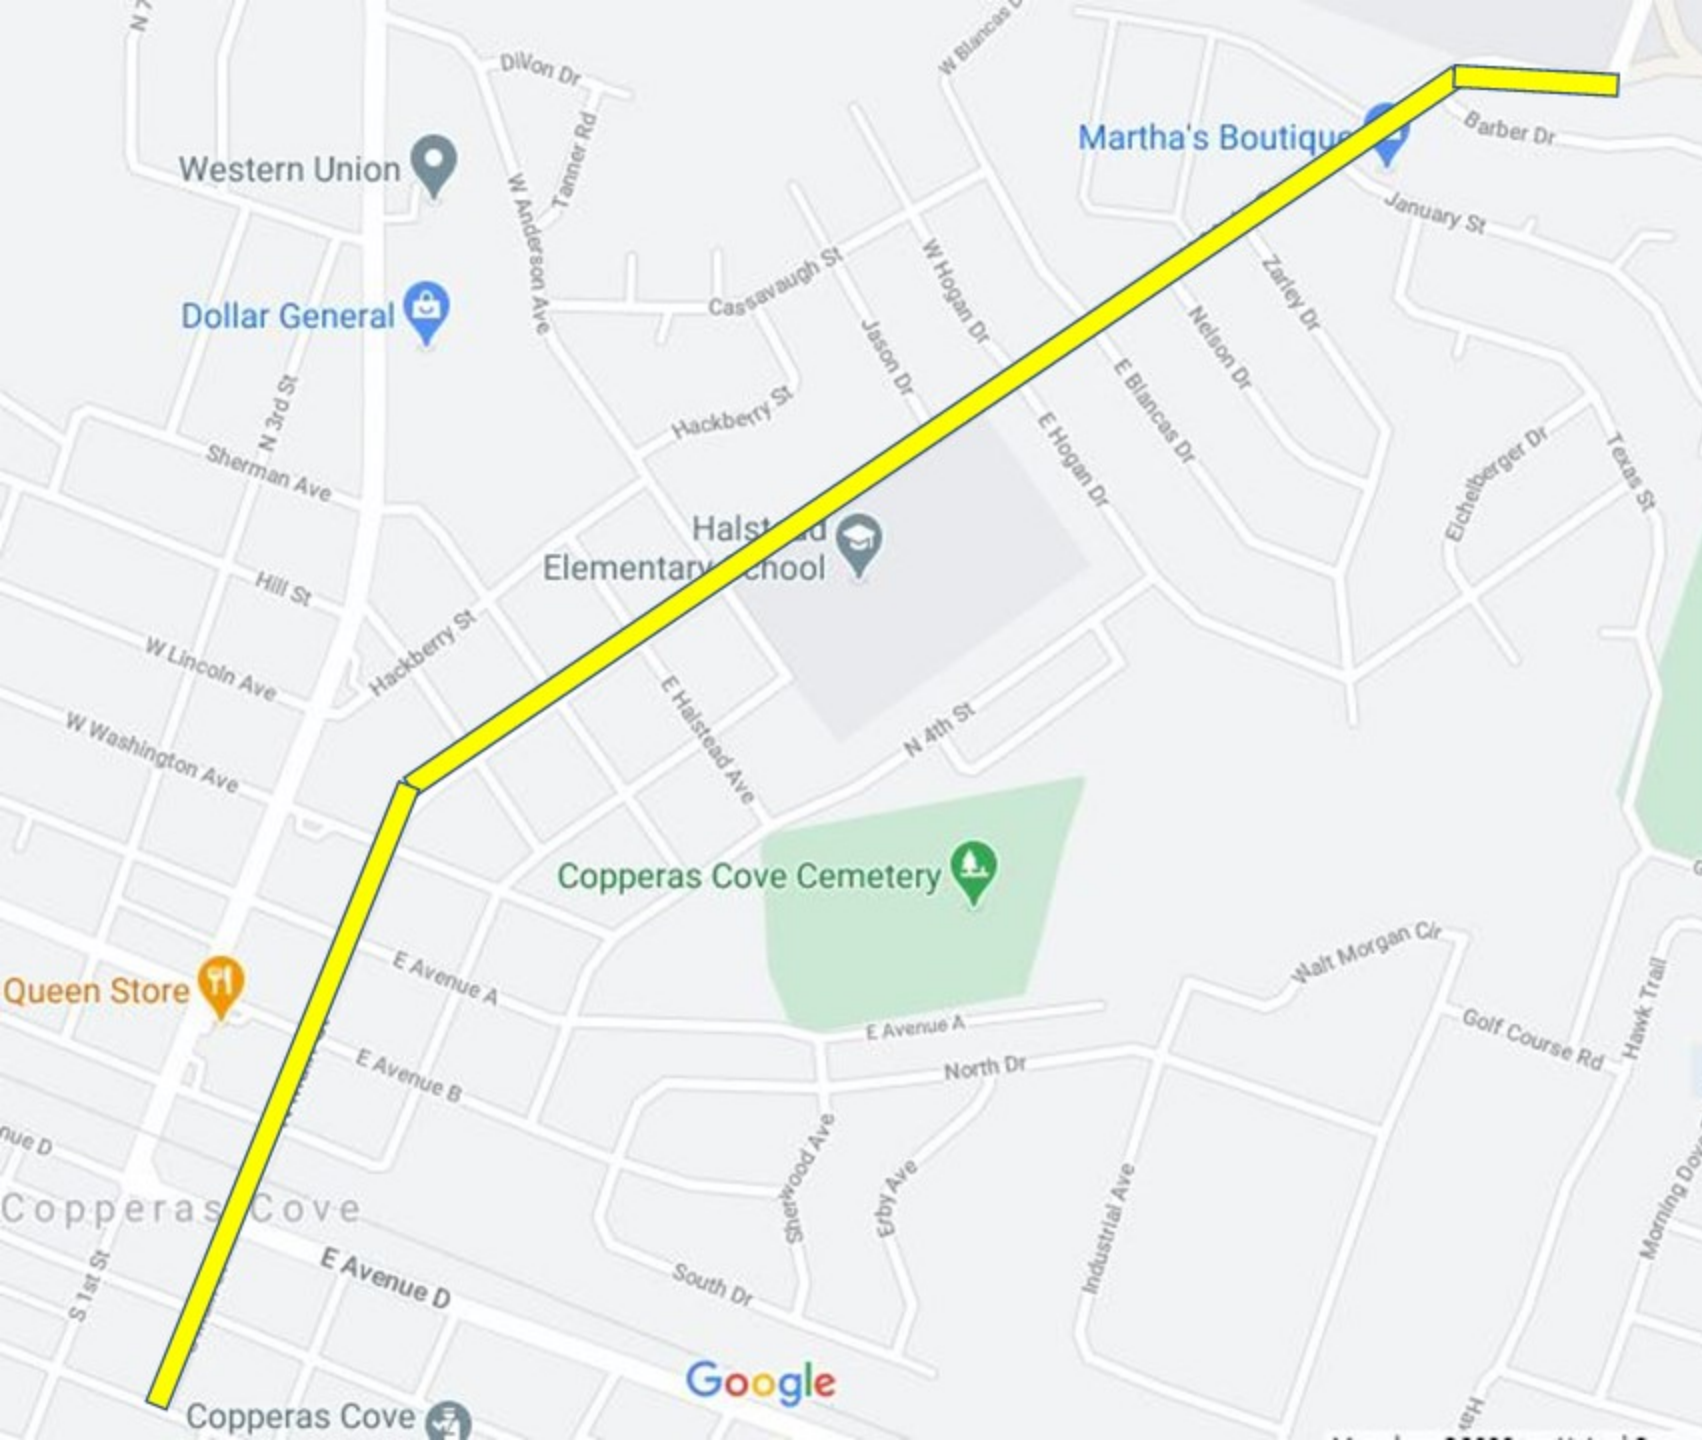

All vehicles, trailers and other obstructions are to be off the street starting Wednesday, November 18, 2020 through Monday, November 23, 2020, excluding the weekend, from 6:00 a.m. to 7:00 p.m.

Garbage and recycle collection will run as normal. Place trash and recycle bins on top of the curb and not in the gutter until the work is complete.

Residents and Businesses who will be unavailable or out of town during this time period are asked to remove any vehicles, trailers or other obstructions off the street prior to leaving.

For inquiries, please contact the Street Department at (254) 547-2168 or Public Works at (254) 547-0751.

Thank you in advance for your understanding and cooperation.

A City of Copperas Cove Mill and Overlay Project will be completed for North Main Street, and a portion of South Main Street. We encourage all motorists to abide posted construction and traffic signs.

Construction will begin on Wednesday, November 18th, and is expected to be completed by Monday, November 23rd, with work being conducted daily from 6am to 7pm, excluding the weekend. Thank you.
