### Pavement Repairs — US 190 — Coryell County

---

Oct. 28, 2021

**WACO** – The Texas Department of Transportation — Waco District will begin pavement repair operations on portions of US 190 south of Copperas Cove beginning Monday, November 1, weather permitting.

This routine maintenance work will repair pavement sections along I-14 from the Business 190 split, east of Copperas Cove, to the intersection of US 190 bypass and FM 116, southwest of the city. Operations will run daily from 7 a.m. to 6 p.m. for next two weeks, weather permitting. To safely perform this operation, crews will conduct various lane closures during the project. Additionally, the west US 190 exit will be closed and detoured to Business 190.

Note that schedules are dependent on weather, field conditions and work progress.

TxDOT encourages all motorists to be safe and drive smart in work zones: slow down, pay attention, eliminate all distractions, and watch for road crews.
