Milling — BUS 190 — Coryell County

Nov. 1, 2022

WACO – Tonight, TxDOT’s contractor will begin milling operations along the ongoing BUS 190 project through Copperas Cove. To perform these operations safely, crews will close various lanes throughout the night. Signage and traffic control will be in place to direct motorists. At least one mainlane in either direction will remain open during operations.

These operations will complete in approximately one week, weather permitting. Work and closures will be active from 7 p.m. to 7 a.m. nightly.

TxDOT encourages motorists to slow down, eliminate distractions and pay attention in work zones and school zones.
