Snow Cone with a Cop & KIDDO Cards

COPPERAS COVE, TEXAS – On Thursday, August 10th, 2023 from 10:00 A.M. to 12:00 P.M., officers with the Copperas Cove Police Department along with Party-N-Jump in Copperas Cove, will be hosting a “Snow Cone with a Cop” event at the Copperas Cove Police Department, bringing together the community and our police officers for a fun-filled gathering.

The “Snow Cone with a Cop” event aims to foster positive interactions and strengthen relationships between law enforcement officers and the local community. It provides an opportunity for residents, particularly children, to engage with our officers in a relaxed and friendly environment. This event is part of our ongoing commitment to build trust with the community we serve.

During the event, attendees will have the chance to enjoy refreshing snow cones generously provided by Party-N-Jump in Copperas Cove. These delicious treats will be available while supplies last, so we encourage everyone to come early!

The Copperas Cove Police Department will be offering KIDDO cards in the front lobby during the event. KIDDO Cards are designed to help parents and guardians provide essential information about their children in case of an emergency. These cards are a valuable resource for families and contribute to ensuring the safety and well-being of our community’s children.

“Snow Cone with a Cop” promises to be an engaging and memorable event. We encourage families, children, and individuals of all ages to join us for this unique opportunity to connect with the men and women who serve and protect our community. The Copperas Cove Police Department is grateful for the support and collaboration of Party-N-Jump in making this event possible. Their contribution is a testament to the spirit of community partnership that thrives in our city.
