Online Scam Website

CORRECTION: The fraudulent website is Hanzsbrew Armory (Not Hansbrew)

Copperas Cove, TX. The Copperas Cove Police Department is continuing to receive complaints from unsuspected victims of fraud. There is a fraudulent website on the internet for an illegitimate business using the name **Hanzsbrew Armory**. This particular business does not have a store front, nor is it a homebased business in Copperas Cove. The business claims to be located in Copperas Cove and the address that is provided is in a residential area. The phone number listed for the company is out of the Houston area, but it is not a valid phone number.

This website has the appearance of a legitimate business and is very complex, but be aware the sole purpose of this website is to commit theft. The website will “process” your order and ask for payment to be made with a cash transfer app such as Zelle, Venmo, or Cash App. We encourage people not to conduct business on this website.

Here are a few tips to help you not become a victim of a scam: 1) Read online reviews from an independent source. 2) Pay attention to subject lines and grammar as indicators of scams. 3) Never send money for online transactions on cash applications.
