COPPERAS COVE, TEXAS - On October 18, 2024, at approximately 4:06 p.m., Copperas Cove Police Department responded to a hit-and-run accident involving a motorcycle and a black Dodge Ram truck at the intersection of North 7th Street and West Avenue B. According to witnesses, the Dodge Ram failed to yield the right of way at the stop sign, pulling into the intersection and into the path of the oncoming motorcycle, which then collided with the driver's side of the pickup. Fortunately, the operator of the motorcycle only suffered minor injuries as a result of the collision.

On October 28, 2024, the department shared dash cam footage provided by a witness on social media, seeking public assistance in identifying the truck's driver. Later that day, Brandon Bedell Rogers turned himself in and was charged with Accident Involving Injury, as well as an outstanding warrant from an outside agency.

On October 29, 2024, Rogers was arraigned by Justice of the Peace F.W. "Bill" Price and received a total bond of \$10,000, set at \$5,000 per charge. The Copperas Cove Police Department continues to investigate this incident.
